Mr. Doug Hanson
Hidden Resources
6021 Pine Meadows Drive
Katy, TX 77493

Dear Doug:

It has been almost a month since CSS's Daufuskie meeting and we are still getting positive feedback on your presentation to our group.

I know we put you under tight time constraints and your presentation had to be somewhat condensed, but we feel the impact on our employees, as well as their spouses, was extremely positive and uplifting. The "board breaking" was a huge success.

Thank you for your well-received dose of inspiration.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kirk King', is written over the word 'Sincerely,'.

Kirk King
