To Whom It May Concern:

This letter serves to express my deep appreciation and limitless recommendation for Doug Hanson. Doug has the unique ability to impact and motivate audiences of all levels. Doug presented at our recent annual company meeting with the make up of the attendees being multi-disciplinary as well as multi-level. The response to Doug's message was overwhelming and remained a topic of discussion months after the meeting. Doug's "down to earth" humor and real life experiences captures the audience and imprints his message of motivation and believing in yourself. I recommend Doug for all audiences at all levels. You will not be disappointed!

I have personally had the opportunity to participate and hear several of Doug's presentations and would not hesitate to use him in the future, or to recommend him to any other prospective clients.

Sincerely,

Keith Newton
President
