Doug:

I am writing to thank you for your dynamic presentation on "The Power of Presence" during our annual business luncheon at the International Ticketing Associations 28<sup>th</sup> Annual Conference & Exhibition.

I just wanted to let you know about the amazing responses I have had from your presentation. Your presentation was not only energizing it was also memorable and very applicable to all of the attendees. I am thrilled we made the decision to utilize your service.

Thanks again for the long lasting impression you have made with me and the International Ticketing Association (INTIX).

Yours truly,
