RE: PlugIN2000 - Sales and Marketing Conference

Dear Doug,

You did it big guy! Your session, 'Marketing Technology: Breaking the Barriers', was an overwhelming success at our Sales Conference. The feedback I received from the audience all echoed the same sentiment, "awesome!"

Doug, your passion and love of life and your love of God is evident in every aspect of your workshop. I speak from my heart when I say that you truly touched every soul in our audience in a very special and more importantly, lasting way.

I am so looking forward to working with you again in the future. Thank you for being you, and sharing so much of you with us. My friend, you were outstanding!

Very truly yours,

P. S. I have enclosed the evaluations from the Conference.
