Dear Doug,

I wanted to drop you a quick note and say thank you for taking care of our best clients and sales team at our recent Advisory Council Meetings. We spend a lot of time each year trying to find the right person to present to our group. We take a great deal of pride in being able to deliver the "Best of the Best" to our partners. Our experience with you was no exception. You are clearly one of the "Best of the Best". Your presentation was a home run!

We have received nothing but positive feedback from our partners. You have an amazing presentation style – entertaining, thought provoking, humorous and easy to listen to. You make your audience feel very comfortable and willing to open up and share. At times that can be difficult and you made it seem easy.

I have had the opportunity to see you a few times and I always have a take away. I honestly believe anyone who has an opportunity to hear you speak will walk away with something they can use/say/do. In many instances it will be both personally and professionally.

I look forward to the next time our paths cross.

Best regards,

Paul Meyer
